**THE KIRIACOULIS GROUP** of companies appeared on the horizon of yachting & tourism activities in 1980 and since then it has introduced a number of innovations in yachting and cruises industry, by creating new markets through flotillas, bareboat chartering, yacht management programs, second hand yachts, etc. Furthermore, it is the only Greek Group, located in Athens, which has expanded its operations abroad, in the Caribbean, in Turkey, in Croatia, in Italy and in France, with a fleet of 420 yachts of all kinds; sailing yachts, catamarans and motor yachts, owned or exclusively managed. Of the twenty-three subject bases, eight operate in Greece (Athens-Kos-Rhodes-Corfu-Lefkas-Skiathos-Paros-Kalamata), one operates in Turkey (Marmaris), two operate in the Caribbean (Martinique-St. Lucia), four operate in Croatia (Pula-Zadar-Split-Biograd), seven operate in Italy (Elba-Puntone-Palermo-Marsala-Portisco-Carloforte-Agropoli) and one operates in France (Bormes les Mimosas). Kiriacoulis SA is the only yacht charter company worldwide that owns 4 marinas, in Corfu, in Lefkas, in Athens (Zeas) and in Kalamata in the Peloponnese. The never-ending service brought the company to third place among the yacht chartering companies, which made them very popular with future buyers. Millionaires or big investors are not the only proud owners of private yachts. Yacht ownership can be a exhilarating and simultaneously rewarding investment for all. If you own a yacht under KIRIACOULIS management, you can sail your yacht without worrying about the costs of the insurance, marina, spare parts or maintenance; the only worry left to you is scheduling the time and place of your holidays by choosing one of the many countries where the company has a base. On their web-site, [www.Kiriacoulis.com](http://www.Kiriacoulis.com), you can get more information, together with the prices of the company's yachts, since they are dealers of Bavaria, Dufour, Grand Soleil, Fountain Pajot and Alubat yachts. Unfortunately the company will not have a stand at the London Boatshow, but they would gladly answer any questions you may have at the e-mail address: [sales@kiriacoulis.com](mailto:sales@kiriacoulis.com)
